### The Midtown Greenway Coalition

The Greenway Glow Arts Festival and Bike Ride is presented and organized by the Midtown Greenway Coalition.

The Midtown Greenway Coalition is coalition of individuals, neighborhoods, and organizations that love the Midtown Greenway and want to protect and enhance it. We encourage you to become a member!

Our founders had the original idea for the Greenway. We became an official nonprofit organization in 1995, and worked to get each section of the Greenway completed from 2000 - 2007. Now, we work to protect and enhance it. Our programs help keep it safe, green, and clean. We also work to get more art into the corridor, including permanent and performance-based art.

We are proud that the Midtown Greenway has become one of the busiest bikeways in Minnesota and recognized as the best urban bike trail in the nation.

Please join us in protecting and enhancing the Midtown Greenway for current and future generations.
