## CREATING A CULTURAL CORRIDOR: BRINGING MORE ART TO THE MIDTOWN GREENWAY

By Janey Gengel

Community art is a huge part of Minneapolis culture. Local artists contribute to the unique vibe throughout our city, including on the Midtown Greenway. From the Chain of Lakes to the Mississippi River, the Midtown Greenway features imaginative mural projects; a huge Graffiti wall; the MoZaic Art Park; rest stop installations; sculptures; and the beautiful Sabo Bridge—all pieces of a blossoming cultural corridor.

The Greenway is also host to community arts festivals, musical performances, bike-in movies, puppet shows and more.

Even with all of its great community art, however, there is still potential for more art in the Greenway. The Midtown Greenway Coalition is working to realize this potential by engaging local artists and organizations in a variety of ways.

The Midtown Greenway Coalition's ArtSpace Committee meets monthly to work with artists to get more art into

the corridor. The committee encourages artists to take advantage of the unique aspects of the Greenway; helps them through the planning and permitting process; and supports them in finding funding when needed.

The ArtSpace Committee also helps select artists for the annual "Greenway Glow Community Arts Festival and Night Bike Ride," which will take place on evening of June 20th this summer. More than twenty local artists are expected to help light up the Greenway with a variety of art installations and performances. (The arts festival is free to everyone, while the optional bike ride encourages people to raise funds for the Greenway.)

If you are a local artist or a member of

an arts organization, keep an eye out for the ArtSpace Open House this spring. You can learn about how to partner with the Midtown Greenway Coalition and contribute to the

## MESSAGE FROM THE EXECUTIVE DIRECTOR

Dear Friends of the Greenway,

There are many reasons why the Midtown Greenway is the best urban bike trail in the nation. One big reason is that it's a protected bikeway and almost completely free of car traffic, making it one of the fastest and safest ways to get across town.

The Greenway is also green, of course – full of trees, shrubs, and gardens that help make it a beautiful space to visit. Many organizations help keep it green and clean via our Adopt-A-Greenway program. We are also pleased to announce a new program for 2015 called Adopt-A-Garden, which will invite local organizations to partner with our GreenSpace Committee to adopt and install new flower gardens in the corridor.

Did you know that the Midtown Greenway also contains more community art than any other local trail? While there is room for much more, the Greenway is currently home to many murals and sculptures, and hosts bike-in movies, puppet shows, live music performances, and the Greenway Glow community arts festival each year. Our ArtSpace Committee is working with local artists and arts organizations to bring even more permanent and performance-based art to the Greenway this year.

Speaking of arts organizations, we are very excited to welcome the Soo Visual Arts Center to the Greenway this spring. Their new center will be located at Bryant Avenue and 29th Street, right along the Greenway. We look forward to partnering with them on the Greenway Glow and other arts initiatives in and along the corridor.

First and foremost, the Greenway is great because so many people like YOU support it! We are pleased to have close to

500 members and hundreds of volunteers, plus more than 100 local businesses and organizations that support our work. This tremendous support allows us to coordinate all of the programs mentioned above, plus others such as our nightly Trail Watch safety patrol.

Thank you for supporting the Midtown Greenway Coalition. Together, we are protecting and enhancing the nation's best urban corridor for biking, walking, gardening, and more!

See you on the Greenway!

Soren R. Jensen  
Executive Director

## WHO WE ARE

The Midtown Greenway Coalition is a coalition of neighborhoods and individuals who love the Midtown Greenway. We're the organization that got the Greenway built by public agencies, and now we work to protect and enhance it. We grow stronger with each new member. Join us to help protect YOUR Greenway and make it even better!

# GREENWAY GLOW

ARTS FESTIVAL AND  
NIGHT BIKE RIDE WILL  
LIGHT UP  
THE GREENWAY

We invite all Greenway supporters to join us on June 20th for our fourth annual Greenway Glow – our largest annual event on the Greenway.

The Greenway Glow is two events in one: a free community arts festival, and an optional night bike ride to help raise funds for the Greenway.

Past Glows have included puppets from Heart of the Beast; a huge catapult that launched LED lights; a giant Pedal Bear bicycle; a group of local children playing violins on the Sabo Bridge; and a pirate movie. What kind of art will be at the Greenway Glow this year? See for yourself on the night of June 20th!

As always, the Greenway Glow will also include an optional night bike ride for people who would like to help raise funds for the Greenway. Registered

## SCHEDULED FOR JUNE 20TH!

Glow riders will receive a free glow-in-the-dark t-shirt and glow necklace, free food and beverages, and a chance to win prizes at the exclusive After-Glow Party.

Watch for more information about the Greenway Glow on the Coalition's website and Facebook page. We hope

you can join us on June 20th to help light up the Greenway with art and bikes!

## GREENWAY USER PROFILE:

# ERIN L. AND TONY C. OF LONGFELLOW

By Linda Ingaldson

### What do you use the Greenway for?

**Erin:** I use the Greenway to get to meetings on time; it's a breezy and calming way to get to where I need to be on my own time, without having to worry about traffic holding me up.

### Why should people care about the Greenway?

**Erin:** It is a valuable asset to our community. People need a place to safely ride their bikes and enjoy the Minnesota weather! It makes a special place for passionate cyclists to enjoy themselves and be free.

### What do you love most about the Greenway?

**Tony:** There's a community of people on the Greenway. I enjoy seeing regular riders and people who enjoy taking their dogs for walks. I also love that there are places to stop along the way to get my morning coffee or a quick lunch. You don't have to get off the Greenway and venture into vehicle territory to enjoy a quick snack, and then you can easily continue on your way. Freewheel is my favorite place to fix up my bike and catch up with cool people.

### MORE ART — continued from page 1

Greenway art community. Artists can also feel free to contact the Midtown Greenway Coalition with questions or attend the monthly ArtSpace Committee meeting.

“I'm excited about the prospect of collaborating with artists and arts organizations to bring more community art to the Greenway,” said ArtSpace Committee Chair Jo Ann Musumeci. “Now is a good time to get involved, whether you want to propose an art project or become a partnering organization, committee member, or sponsor.”

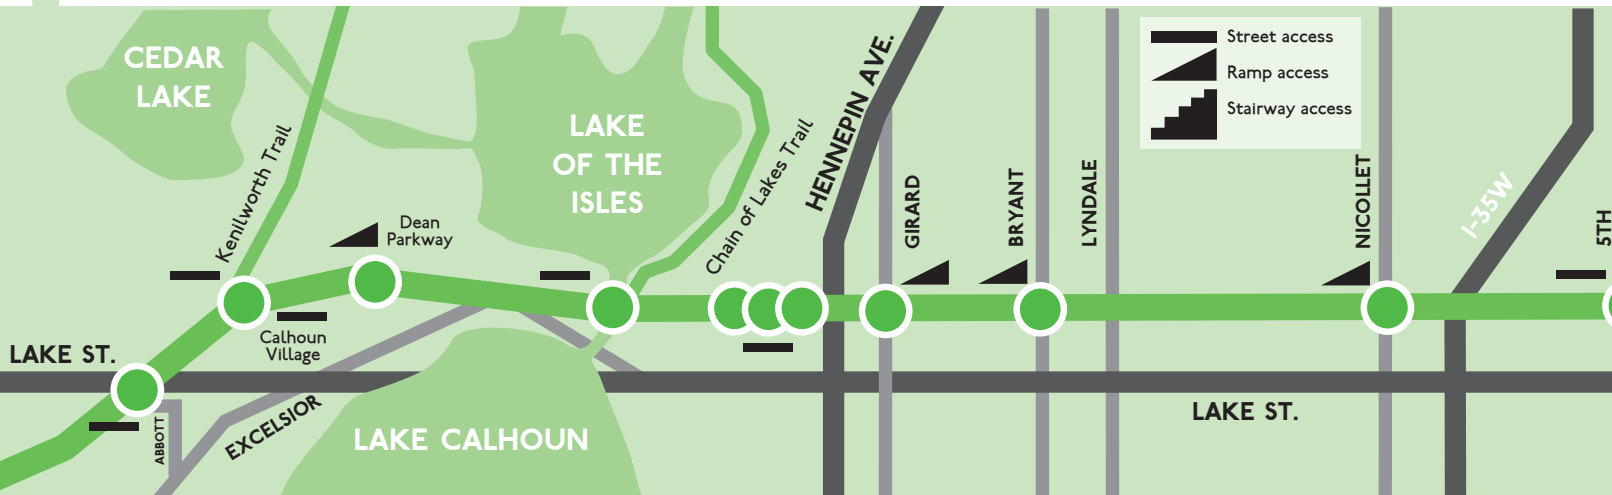

We invite you to get involved in supporting community art in the Greenway. Please contact [Janey@midtowngreenway.org](mailto:Janey@midtowngreenway.org) or 612-879-0106 for more information

### MISSION

We empower communities to develop, improve, protect, and enjoy the Midtown Greenway as a green urban pathway to improve people's lives.

# COALITION CULTIVATES NEW PROGRAM: ADOPT-A-GARDEN

The Midtown Greenway Coalition is pleased to announce a new program called "Adopt-A-Garden," which invites local schools, businesses, and community organizations to adopt gardens in the Greenway. Most of the garden plots

have previously been developed, but need new organizations to take them over. Adopters agree to cultivate and tend to their garden for at least two years. For more information, contact Janey@midtowngreenway.org or 612-879-0106.
